REGISTRATION HEADQUARTERS

The offices of the registrar and cashier are located in the Administration Building. On September 17 through 20, these offices will function in the Arts and Science Building. On September 17 and 18, all deans except the Dean of the Graduate School, will be located in the Arts and Science Building, thereafter, in their regular offices.

SCHEDULE CARD

If a correct schedule card was not filed during registration, this must be done within one week after the beginning of instruction. A fee of one dollar is charged for failure to file this card in the office of the registrar within one week.

CHANGES IN REGISTRATION

Changes in registration may be made by obtaining a change in registration slip from your dean's office. This slip must be approved by your dean and filed in the office of the registrar. After one week, there is a fee of one dollar for every change in registration.

Credit cannot be obtained for courses for which you are not officially registered in the office of the registrar. Your failure to attend a course for which you are registered will result in your receiving a mark of failure in the course.

Courses dropped after eight weeks (November 15, 1941) carry a grade of failure.

WITHDRAWAL FROM THE UNIVERSITY

If a student is compelled to leave the University at any time during the academic year, he must file a formal application for withdrawal, bearing the proper signatures, in the office of the registrar. If this is not done, the student will not be entitled, as a matter of course, to a certificate of honorable dismissal, and will forfeit his right to any refund to which he would otherwise be entitled.

REFUNDS

Prorated refunds for general fees and for board, lodging and laundry are allowed only in case of withdrawal from the University within certain time limits. Consult the catalog, page 62, for rules governing refunds. After November 1, prorated refunds are granted for board and laundry only. The date used in computing refunds is the date the application for withdrawal is filed in the office of the registrar. No laboratory fee refunds will be issued after September 29, 1941.

CHANGES IN COLLEGE

To effect a change in college, secure the necessary form from the office of the registrar and have it signed by the deans concerned. The transfer is not official until the blank has been filed in the office of the registrar.
